

Svetlana Kompel

ART IN MOTION - NO RULES, JUST PURE EXPRESSION AND COLOR THAT CONNECTS

Svetlana creates ART of the moment- with free movement and pure energy of nature

Her art flows beyond borders and brushes, she uses unusual materials, hands and real flowers and plants for painting.

She explores the connection between her artworks become visual meditation on peace and positivity. Every brushstroke is a step to inner harmony and tranquility

COLORS INSTEAD OF WORDS

Bio

Svetlana Kospel is a contemporary artist whose work bridges intuitive expression, color therapy and emotional freedom.

Svetlana's paintings radiate harmony, light, and joy of happiness – inviting viewer not only observe, but to feel and meditate positivity and tranquility.

With a background in color therapy each painting allowing collectors to bring a healing message, a philosophy into their space.

She explores the connection between her artworks become visual meditation on peace and positivity. Every brushstroke is a step to inner harmony and tranquility.

Known for her vibrant soulful paintings and immersive creative performances Lana invites people into a world where color becomes language and art becomes a tool for self-liberation.

Now Svetlana lives and works in Italy, participates in international exhibitions and collaborates with galleries.

Svetlana Kospel

Mission

My mission is to help people break free inner limitations and rediscover their own expressive power through shared creativity.

My artistic journey began with academic paintings – years of classical study, technique and discipline. I trained my hand to see, to render and respect traditions.

Colors of flowers

Performances

1. **Performance — Painting of the Moment. "FLOWER POWER"**
Art without limits. Colors instead of words.

Join us to co-create a living, shared artwork on a large canvas using acrylic paints, unusual tools, and real flowers.

You're not a viewer — you're a part of it. Leave your mark.

Free admission. Clothes may get messy. Even better — let them catch some color!

1. **Flower Power — a one-hour art performance explosion by Svetlana Kompel, where natural flowers and vibrant colors come alive on canvas. Watch the magic unfold, add your own touch, and take home a piece of**

“ Svetlana Kompel is an artist who helps people reconnect with their true essence through the gentle power of color and creative freedom. Her art invites you to let go, feel, and express — naturali, joyfully, and without limits.”

Francesca Callipari, Art critic

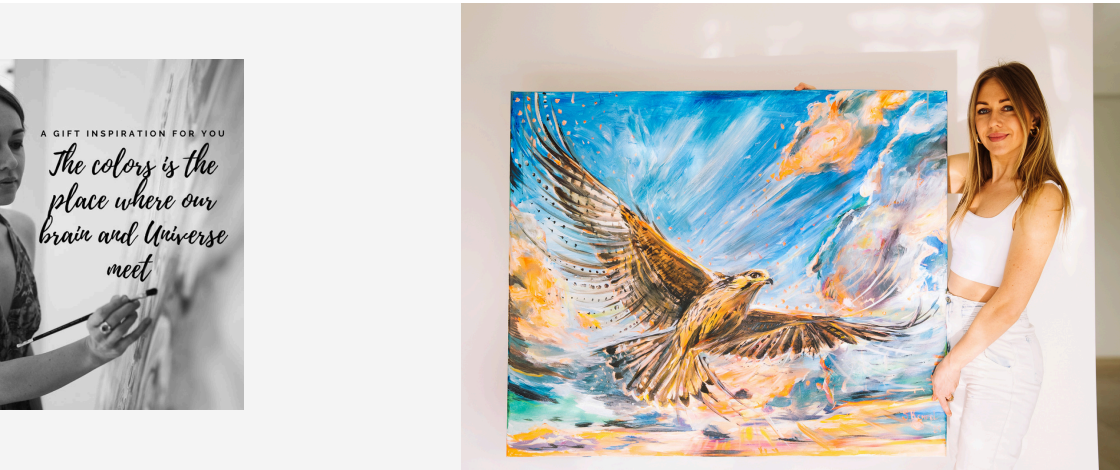

WORKSHOP ADULTS

Where Art has no limits and you can create your masterpiece in simple way full of joy

We will create the painting together in the moment , using colors instead of words.

A workshop for adults — no experience or technique required. I'll guide you step by step to unlock your creativity, use color with confidence, and turn your emotions into a unique work of art.
